

BIRDS IN MY NEIGHBORHOOD®

CALL FOR VOLUNTEERS

Birds in my Neighborhood® is a volunteer-driven program for grades 2 through 5 helps students see nature in their community through the observation of birds.

Volunteers help run the program by working with teachers to schedule two classroom visits and a field trip to a local natural area. New volunteers must attend trainings to prepare for each part of the program.

Become a Volunteer Instructor

Commitment: 15-20 hours per season

Responsibilities:

- Attend three training sessions (details below)
- Work with teacher to set the schedule for visits and field trip
- Lead three visits with students: in-classroom lesson, bird walk in the schoolyard, and a field trip to a local natural area

Provide Field Trip Support

Commitment: 5-10 hours per season

Responsibilities:

- Attend the Field Trip training session
- Attend at least one field trip and support Volunteer Instructors by identifying birds and chaperoning students
